Young Parents Pathway

Young Parents Pathway is an Ofsted registered supported accommodation service in South Tyneside for young, single parents, families and expectant mothers aged 16–25. We offer support to young parents from a range of backgrounds, with the aim of our service to provide a safe and secure environment for parents and their children.

We are here to help you manage and maintain a successful tenancy, whilst offering personalised support to help you to build essential life skills.

Our aim is to help prepare you for independent living. Whatever your story, we'll always aim to help.

Safe and secure accommodation for your family

You will have your own fully furnished home. We have a mixture of houses, flats and bungalows. This is located conveniently in South Shields with access to a wide range of shops, transport links, GP's, and many other local services. You will also meet other families during your time with us.

Some of the other benefits include:

- 24-hour support available
- Family friendly trips and activities
- Child-friendly garden and play area to enjoy
- Security and CCTV to keep you and your family safe.

Support and guidance every step of the way

During your time at the Young Parents Pathway, we will help you to build the essential life skills you need to prepare you for the future:

- We'll help you with a support plan to meet your needs
- Support you with parenting skills
- Help you learn to budget your money and assist you with any benefit claims you could be entitled to
- When you are ready to move on, we will help you find a new home in the local Community.

Fun learning activities for you to get involved in

We have a wide range of social and educational activities to get involved in throughout the year if you wish to take part. This will help you to learn new things and make your time enjoyable at the Young Parents Pathway.

Examples of previous activities include:

- First aid training for babies and children
- Improve your child's development with arts and crafts
- Learn about the importance of fire safety
- Healthy eating club
- Parties and activities for parents and children
- Fun outdoor trips to local attractions.
